

UKRAINIAN CATHOLIC EDUCATION FOUNDATION

2004 ANNUAL REPORT
The Gospel Goes East and West

Mission of the UCEF

The Ukrainian Catholic Education Foundation teaches Americans about the academic and financial needs of Ukrainian Catholic educational institutions in Ukraine. In a sincere commitment to personal involvement and high standards, the UCEF works with these institutions hands-on to meet present needs and develop resources for the future. Through grant and endowment programs, distribution of books and teaching materials, and collaborative volunteer projects, emphasizing foreign exchange of students and faculty, we foster the communion of Ukrainian Americans with the Ukrainian nation and of Roman Catholics in the West with the largest Eastern Catholic Church.

*Endowment funds prepare for the future. Costs in Ukraine are rising dramatically as the economy stabilizes, leaving the Church's educational institutions in greater need. Foreseeing this challenge, a number of individuals and parishes have contributed funds for the UCEF to endow scholarships and professorships in perpetuity. The UCEF Investment Account (including dividends, realized and unrealized gains, and investment fees) showed a gain of \$111,381 in 2004.

Our accounting records and financial statements are audited by an independent certified public accounting firm. For a copy of our federal income tax return (Form 990), please contact the UCEF.

June 2005

Brothers and Sisters in the Lord:

2004 was an unprecedented year for the Ukrainian Catholic Education Foundation and its supporters. We saw historic changes in Ukraine and a year of record success for the UCEF!

The biggest news for the country was certainly the massive election fraud and the even more massive protests that followed.

Following their consciences, hundreds of seminarians, other students and staff of the Ukrainian Catholic University traveled to the country's capital, Kyiv, in cold November and December to demand free and fair elections. Together with hundreds of thousands of Christians of other denominations and people of good will of other faiths, they offered up their prayers and sufferings to heaven for justice. And, without bloodshed, a repeat election was finally held, under fair conditions.

We are grateful to God that the UCEF is helping the Catholic Church in Ukraine form young people with such strong moral convictions, who are not afraid to speak up for what is right and who bravely call upon the aid of God and his saints in difficult situations.

As you will see in this year's *Annual Report*, in 2004 the UCEF was very actively involved in supporting education and pastoral ministry in Ukraine, like evangelization to youth throughout the country and a military chaplaincy program. The UCEF in Canada was particularly involved in raising funds for Christmas Together, an All-Ukrainian Christmas pilgrimage in which young people from all over the country traveled to Lviv to celebrate the holidays with great spiritual depth and richness.

In 2004, over 50% of the operating costs of the Ukrainian Catholic University were provided by the UCEF. Thank you for making that possible!

The UCEF was also very involved with bringing the good news of the Church in Ukraine to North America, arranging for seminarians, nuns, and other students to come here on summer internship. The UCEF also organized the North American tours of Fr. Borys Gudziak, rector of the Ukrainian Catholic University, and Fr. Bohdan Prach, rector of Holy Spirit Seminary, who shared with their audiences their spiritual triumphs.

Again, thank you for your part in all this, and God bless you!

Sincerely,

John F. Kurey, Esq.

East and West Come Together in Faith

Helping the Church bring the Gospel to all corners of Ukraine was a major emphasis of the Ukrainian Catholic Education Foundation in 2004. The UCEF supported numerous mission efforts throughout the year. In addition, seminarians, and other students and staff of the Ukrainian Catholic University (UCU) went to centrally-located Kyiv (Kiev), the country's capital, where they brought a Catholic presence to the protests of massive election fraud in November and December. To finish off the year, UCU organized a Christmas pilgrimage. Visitors from southern and eastern Ukraine came to the far western city of Lviv to celebrate the holidays. The UCEF in Canada was particularly involved in gathering finances to assist this all-Ukrainian evangelization effort.

In January 2004 (Christmas on the Julian calendar) seminarians and other students of UCU traveled

south to Odesa to bring the Good News to the children of the Bright Home shelter. For Holy Week, the young missionaries went east to Crimea, on the Black Sea, and Kherson, where they visited institutionalized children with physical defects. In the summer, numerous mission activities were held in the Church's Donetsk-Kharkiv exarchate (mission diocese) in the country's eastern corner. All these efforts were supported by UCEF's Bryon Brindel Fund.

The Church is building a new main cathedral in Kyiv. And Fr. Vasyl Zakharus, a graduate of UCU, is the chaplain for the temporary chapel that is being used until construction is completed.

Also in Kyiv, seminarians and other students of UCU had the opportunity to share their faith with peers from throughout Ukraine during the protests in November and December. They

then returned Kyiv's grand hospitality by inviting students from all over the country to come to Lviv for the winter holidays. UCU hosted 1200 guests for Christmas Together, helping their visitors rediscover Ukrainian holiday traditions that have been forgotten in many parts of the country.

Highlights of UCEF Activities in 2004

Military Ministry

The UCEF supported a chaplaincy program at 7 military bases in Lviv. The young soldiers were visited by 26 seminarians and priest-chaplains of the Ukrainian Catholic University.

North American Internships

Seventeen seminarians and other students of the Ukrainian Catholic University traveled to the U.S. and Canada for pastoral and academic internships in the summer. Among the hosts were parishes in Illinois, Louisiana and Wisconsin, Human Life International in Virginia, and the Metropolitan Andrey Sheptytsky Institute in Ottawa.

Encouraging Volunteers

The Ukrainian Catholic University's English-language Summer School celebrated its 10th annual meeting. The UCEF thanks the volunteers who gave of their time, talent, and treasure to travel to Ukraine. Thanks also to volunteers who traveled to

Ukraine to teach at the university's Institute of Non-Profit Management, which is helping improve numerous charitable organizations in Ukraine. And a great big thanks to the volunteers who helped organize the North American visits of the two rectors!

Book and Equipment Donations

More than 1600 books with a value of over \$11,000 received from UCEF donors were sent to religious libraries in Ukraine. In addition, thousands of books were purchased and computer equipment provided thanks to the financial support of the UCEF. Religious literature was banned in the country for decades, so these donations are crucial for the revival of church life in the country.

Spreading the Word in North America

Fr. Borys Gudziak, rector of the Ukrainian Catholic University, visited New York, Chicago, and Philadelphia in the fall. He told enthusiastic audiences about the good work the university is doing and its successes, and they responded generously.

Fr. Bohdan Prach, rector of Holy Spirit Seminary in Lviv, was greeted warmly when he visited the U.S. and Canada earlier in the year to raise funds for the construction of a new seminary.

The UCEF is grateful to all the donors who made the visits of the two rectors so successful, but special thanks to Selfreliance (NY) Federal Credit Union, which presented the UCEF with a check for \$100,000.

Sheptytsky Society

We recognize members who over the years have made major contributions to assure the glorious future of the Church in Ukraine which Metropolitan Andrey Sheptytsky foresaw.
